BRAVA IN THE NEWS

Customers love us, and so does the Press!

★★★★★

Take a closer look at the stellar reviews from some of our favorite bloggers & critics as they step inside the world of fast, convenient & delicious cooking.

VIDEO SHOUT-OUTS

"Today I'm going to show you one of my most favorite pieces of tech I've been using over the past couple of months. And this thing has completely, honestly, actually changed my life."

"If you want to be healthier and need some guidance on cooking (because you're just so cooking that eat) and you just need that extra help... the Brava can do everything, making it so easy just for people like me to make incredible meals easily. If you are looking to pick up the Brava, I can without a doubt definitely recommend it." [Click here more](#)

SHOP BRAVA

IN THE MEDIA

the underscorder

"For the \$1,000 starting price (it's really getting a better deal), yes, the oven price for this and included, but you also get access to the companion app where you can have a lot of the great, discover recipes and even get alerts about the meal as it's cooking." [Click here](#)

REALSIMPLE

"Whether you're like me and want to improve your cooking skills without lessons or you're found yourself cooking at home more due to social distancing, the Brava is an easy way to achieve delicious, home-cooked meals every time." [Click here](#)

BUSINESS INSIDER

"People who are tight for time, space, or both will find themselves saving many a minute, if not a few hours, out of their kitchen time throughout the week. And for that very reason, the Brava is among a select cadre of modern wonders worthy of your marvelling." [Click here](#)
